Singapore, 27 April, 2021 – Designed to be a space where a community of Nanyang coffee lovers can gather over traditional coffee, tea and local delights, Kopi Clan debuts at the newly launched NTP+ on 27 April, 2021.

Kopi Clan's menu features an extensive selection ideal for breakfast-on-the-go, a wholesome lunch, an afternoon snack or an impromptu catch-up. Breakfast-goers looking to start the day on the right note will find the Set Menu selections a welcoming choice, be it Traditional Kaya & Butter Toast, Traditional Butter & Sugar Toast, French Toast with Kaya or Thick Toast with Chicken Floss. Each Set Menu includes two soft-boiled eggs and a choice of local coffee/tea or western coffee.

Set amid a location that is convenient to the Lorong Chuan MRT Station, offices, schools and residential areas, Kopi Clan's accessibility makes it an ideal spot for a lunch of local delights, steamed dim sum and nostalgic bakes and pastries.

Alongside the Kopi Clan Bowl of local lettuce, baby spinach, mixed cabbage, roasted pumpkin, edamame, corn and poached egg; Cobb Salad and Smoked Salmon Spinach Salad, diners may choose to create their own hearty salad bowls from a selection of fresh garden greens, wholesome proteins and salad dressings. Alternatively, a Classic Caesar Wrap or a Chicken and Roasted Pineapple Wrap is perfect for a lunch takeaway. For diners who desire a warm, wholesome meal
